

Commitment to Standards in Fundraising

The Friends of Marymount are fully committed to achieving the standards contained within the Statement of Guiding Principles for Fundraising

The statement exists to:

- Improve fundraising practices within the Sector
- Promote High levels of accountability and transparency by the organisation fundraising from the public
- Provide clarity and assurance to donors and prospective donors about the organisations support
- Provide clarity and greater security to those partaking in fundraising activities

We at The Friends of Marymount, Curraheen, Cork have considered the Statement and believe we meet the standards set out within.
