

Catering

Catering can be provided by our in-house catering team and we are committed to providing a high professional standard of service. We are an award winning department having won The Hotel and Catering Review Gold Medal Award in 2013 and 2014. Our menu range is vast with tea/coffee, scones, sandwiches, wraps, hot and cold canapés, a hot buffet with a choice of main courses, selection of salads etc. available.

We are very proud of our home baking which includes homemade breads, scones, biscuits, pastries, to luxury individual desserts which are often a talking point at our events. All menus can be specifically adjusted to suit your event and individual requirements can be catered for.

For Reservations Contact:

Rosarie Hayes
General Services Manager
t 021 4501201 ext:310
e rhayes@marymount.ie

All telephone bookings will be deemed as provisional and will then be confirmed as reserved on receipt of the booking form. A twenty-five percent booking fee is required when securing the room reservation. This deposit is non-refundable.

An appointment can be made to visit the venue prior to making a booking.

Parking

The facility has its own car park. Car parking for room hirers is available on-site and included in the cost of the room hire.

Public Transport

The venue is easily accessible via public transport. The No "208" bus route operates from Mayfield through the city centre via St. Patrick's Street (pick up point outside Debenhams) to the hospital every 10 to 20 minutes, seven days a week. The bus timetable can be downloaded from our hospital website www.marymount.ie.

Facilities for Venue Hire

Marymount University Hospital and Hospice is located only 10 minutes' drive from Cork City Centre and provides a unique venue for various events such as Conferences, Education Programmes, Training Courses, Workshops, Seminars, Meetings etc. All rooms are wheelchair accessible.

The rooms for hire include:

- ⇒ An Auditorium
- ⇒ Lecture Room
- ⇒ Two Tutorial Rooms
- ⇒ Board Room

Lecture Room

The comfortable Lecture room has a ceiling mounted projector, a laptop, an adjustable lighting system, DVD player, wireless internet access and teleconferencing. There are 50 seats and tables which can be configured to the specific requirements of each customer.

This room is ideal for the following:

- Staff Training
- Lectures
- Meetings
- Teleconference
- Corporate events
- Seminars
- Workshops

Auditorium

The Education Centre has a modern Auditorium with a capacity for 106 participants. This venue has the latest Audio-Visual technology available on the Irish market. The Auditorium is equipped with a ceiling mounted projector, DVD player, PA system, interactive smart podium, wireless internet access, video conferencing, deaf loop hearing system as well as a laptop, an adjustable lighting system and television. The room is also wheelchair accessible.

This venue is ideal for various events such as:

- Conferences
- Study Days
- Annual General Meetings
- Scientific Meetings

Tutorial Room

The modern tutorial room can accommodate 60 people. The room also has a retractable partition wall which can accommodate 25 participants on either side. Individual seating arrangements can be discussed prior to booking. This room has a built in ceiling mounted projector on both sides, as well as a fully adjustable lighting system, DVD player, PA system and wireless internet access. The room can be utilised as a clinical skills room and includes a ceiling mounted hoist for patient handling sessions.

This venue is ideal for:

- Staff Training Sessions e.g. First Aid, Manual Handling
- Tutorials
- Workshops
- Seminars

Boardroom

Marymount University Hospital & Hospice also has a Board room perfectly suited for your next important meeting. The room is suitable for various meetings as it is equipped with a ceiling mounted projector, a laptop, video conferencing, PA system and teleconferencing.

The room is ideal for the following:

- General Meetings
- Presentations
- Teleconferencing
- Video conferencing
