

VISITOR GUIDANCE – IMPORTANT NOTICE

In order to protect the safety of our patients, our staff and our community please note that visiting Marymount is significantly disrupted.

All visitors:

- **Please wash your hands, and use the hand gels provided**
- Nominated/immediate family only
- Do **NOT** visit if you have travelled abroad in the last two weeks
- Nominated visitors must only visit between **2.00pm – 4.00pm**
- Strictly **one visitor** at a time only
- Strictly **NO** children
- Please report to relevant receptions before visiting a patients room
- We know the importance of relatives, carers and friends to our patients and in Marymount, we promote a person-centred approach under normal circumstances. We hope you will understand the extra ordinary event that is a global pandemic and the serious threat to health. We have a duty to protect everyone.

THANK YOU FOR YOUR COOPERATION
